## 1.2 Interpretation

With reference to the Contract:

- 1.2.1 The terms shall be read as mutually explanatory of each other and if there shall be any contradiction or inconsistency between any one or more of them and the conditions contained in these terms and conditions, the latter will prevail.
- 1.2.2 The successors and permitted assigns of the parties shall be bound by the Contract and the name of a party appearing herein shall be deemed to include its servants, agents and contractors and its successors and permitted assigns.
- 1.2.3 All agreements and undertakings on the part of any party which comprise more than one person shall be joint and several, unless expressly agreed otherwise.
- 1.2.4 Any undertaking by any party to do or not to do an act shall be deemed to include an obligation to ensure that such act be done or not be done nor permitted or suffered, as the case may be, by any person acting for the party or by any other person (appearing to the reasonable belief of the other party) to have ostensible authority to act for or on behalf of the party and any failure by any such persons to comply with its obligations under the Contract shall be deemed to be a breach of the obligations of the Contract by the party.
- 1.2.5 Words denoting a singular number only include the plural and vice versa.
- 1.2.6 Reference to any statute includes any re-enactment or modification thereof and regulations or orders made under such statute as from time to time amended, extended or re-enacted.
- 1.2.7 The headings in the Contract are inserted only for convenience and shall not affect its construction.

## 2 **Incorporated Terms**

- 2.1 The following terms and conditions shall govern and apply to all Services requested by the Customer from PN and all Transactions carried out by the Customer on **PORTNET®** and shall be deemed to be accepted and incorporated in the Contract:
  - 2.1.1 for services and/or facilities provided by PSA Corporation Limited or where otherwise applicable, the General Conditions for Services and Facilities and Specific Conditions for Terminal Services and Facilities provided by PSA Corporation Limited; and
  - 2.1.2 for services and/or facilities provided by PSA Marine (Pte) Ltd or where otherwise applicable, the General Operating Conditions provided by PSA Marine (Pte) Ltd.

- 2.2 The Customer acknowledges that the abovementioned terms and conditions have been made available to the Customer and that it has read, fully understood and agreed to the same.

### **3 Licence**

PN grants the Customer a non-exclusive and non-transferable licence to use the Licensed Materials to access the Services only for its own purposes, in consideration of the Customer's payment of the Service Charges.

### **4 Modification and Enhancement**

PN may at the Customer's request develop, modify, customise and/or enhance the Services and/or the Licensed Materials to suit the Customer's need at such times and for such fees as may be agreed between PN and the Customer **Provided that** this clause shall not place an absolute obligation upon PN to do the same and all such development, modification, customisation and/or enhancement shall be subject to the terms and conditions herein unless expressly agreed otherwise by PN in writing.

### **5 Third Party Services**

- 5.1 PN may make available to the Customer from time to time through PORTNET® links to other websites or facilities and/or services provided by other service providers, networks or government bodies, including PN's Related Companies. Such links or Third Party Services are provided for the Customer's convenience only and do not constitute or imply PN's endorsement, sponsorship or recommendation of the same or of their contents, operation or availability.
- 5.2 The Customer acknowledges and agrees that any access to such websites or Third Party Services is at the Customer's own risk and that PN does not control or contribute to such websites, Third Party Services or their contents. The Customer shall not hold PN liable for any loss or damage that may occur as a result of the Customer's reliance on or use of such websites or Third Party Services.
- 5.3 PN does not accept any liability for any contract or arrangement made by the Customer via such websites or between the Customer and the providers of Third Party Services. Save as otherwise agreed, the Customer shall make its own arrangements for payment for the Third Party Services and PN shall not be held liable to the providers of Third Party Services or any third party, and the Customer shall fully indemnify PN thereof, for any loss or damage of any nature or kind (including third party claims) suffered as a result of the Customer's use of Third Party Services.
- 5.4 Notwithstanding clause 5.3 above, the Customer shall at PN's request sign a Direct Debit Authorisation (DDA), or other similar, form authorising PN, as and when the situation requires, to collect from the Customer on behalf of any provider of Third Party Service any fees or charges for the Customer's use of Third Party Services.

### **6 Service Charges**

- 6.1 The Customer agrees to pay PN the Service Charges and such other fees and charges as shall be imposed by PN for use of Third Party Services within fourteen (14) days from the date of any on-line bill issued by PN to the Customer.

- 6.2 The Service Charges are listed in the Price Lists found in Attachments 2, 3 and 4 and may from time to time be modified by PN in accordance with clause 13.

## **7 Payment Method**

### **7.1 Account**

The Customer shall open an account with PN or any other entity as may be nominated by PN from time to time, which account shall include a refundable Deposit with PN, to facilitate payment of the Service Charges and all other sums payable under the Contract and abide by the terms and conditions for the opening of such account (if any).

### **7.2 Giro etc**

The Customer agrees to pay the Service Charges and all other sums payable under the Contract through inter-bank giro or by such other means as PN shall stipulate from time to time and shall duly execute all necessary documentation to effect the same. Where collection by inter-bank giro is unsuccessful for any reason, the Customer shall be liable for payment of any bank charges imposed thereof.

### **7.3 Billing enquiries**

- 7.3.1 No hard copy bills will be rendered. The Customer agrees to make all billing enquiries on-line and at such time according to the billing arrangement in force from time to time. Failure by the Customer to make the enquiries shall not be a valid reason for the Customer's non-payment of any bill.

- 7.3.2 If the Customer has any good reason to object to the amount of the funds to be deducted from the Customer's account for the Service Charges and all other sums payable under the Contract, the Customer must notify PN within seven (7) days of the date of the on-line bill, failing which all such deductions shall be deemed to have been properly made. Even if the Customer genuinely disagrees on the proper sum invoiced by PN to the Customer, the Customer shall pay the amount as is not in dispute and any dispute or differences as to the remainder of the sum shall be determined in accordance with clause 15.4. If any disputes are settled in favour of the Customer, PN's liability to the Customer is limited to the refund of the payments and PN shall not be obliged to pay the Customer any interest charge whatsoever on all such payments.

### **7.4 Non-payment**

The Customer shall pay to PN an interest charge at the rate of 1% per month or such other rate as may be notified to the Customer and imposed from time to time on all on-line bills which remain unpaid after the period of thirty (30) days from the date of the on-line bills up to the date of payment in full. In addition, PN may immediately either suspend its provision of the Services to the Customer until the date on which the outstanding amount is received in full by PN or terminate the Contract in accordance with clause 14.2 all without prejudice to accrued rights.

### **7.5 Deductions, withholdings, retentions and set-offs**

- 7.5.1 All sums payable to PN under the Contract are exclusive of Value Added Tax, Goods and Services Tax and/or withholding taxes and any other similar taxes (the "Taxes") and any other levies, imports, duties, charges, fees and withholdings of any nature now or hereafter imposed by any governmental, fiscal or other authority or bank or similar institution ('Charges'), and shall be paid

to PN without any deduction or set-off and free and clear of such Taxes and/or Charges save as required by law. The Customer will pay such additional sums as may be necessary in order that, after deduction of withholding for or on account of any present or future Taxes and/or Charges, assessment or other governmental or other charge imposed upon or as a result of such payment by any taxing authority or otherwise of any jurisdiction from which such payment is made, every payment to PN will not be less than the sum provided in the on-line invoice. All sums charged by PN will be invoiced together with the Taxes and/or Charges, where appropriate.

7.5.2 For the avoidance of doubt, the Customer shall be responsible for determining whether any Taxes and/or Charges are payable in respect of the Services or otherwise under the Contract and acknowledges that PN is not and will not be held liable for paying, collecting, reporting or remitting any Taxes and/or Charges arising therefrom.

7.5.3 Wherever any provision is made in the Contract for PN to recover any sum from the Customer, such sum may be:

- (a) deducted from or reduced by any sum due or to become due at any time thereafter from PN to the Customer under the Contract or any other contract between the parties;
- (b) recovered by PN from the Customer as a debt; or
- (c) set-off from any Deposit by PN in its sole discretion for any sums that is owing or outstanding under this or any other account or Agreements that the Customer has with PN;

without prejudice to PN's rights to claim and recover from the Customer any sum which shall not have been so recovered.

## 7.6 Nomination

If the Customer nominates another party for payment of the Service Charges and all other sums payable under the Contract (subject to PN's approval), the Customer shall nevertheless remain liable for payment of the same should there be a default in payment by such nominated party, whether due to dispute in billing or otherwise.

## 8 **Customer's Responsibilities**

### 8.1 General

The Customer shall supply to PN all pertinent data and information and give such assistance as shall be necessary to enable PN to provide the Services under this Contract, including the following:

- (1) to obtain, install and maintain at all times, at the Customer's own expense, all suitable hardware, operating software and communication equipment and lines necessary to enable the Customer to access the Services at the address indicated in the Customer's PN Application and to obtain PN's written consent prior to any change in such address;
- (2) to provide PN with the name, designation and identity card or passport number of:
  - (a) not more than two (2) of the Customer's personnel of at least executive level appointed by the Customer as (i) contact persons for all matters relating to the Services and (ii) data security administrators responsible for ensuring proper control over the use of the Security

Codes and access to Services, including but not limited to creation, activation, deletion and management of user IDs, passwords and user roles; and

(b) each personnel authorised by the Customer to use the Services,

and inform PN of any changes immediately, including any personnel leaving the Customer's service, so that PN may accordingly assign new or withdraw the existing Security Codes, as the case may be.

## 8.2 Use of Services

In using PORTNET®, the Services and the Licensed Materials, the Customer shall:

- (1) immediately upon such use be deemed to have accepted this Contract with full knowledge of its contents and any other terms and conditions governing PORTNET®, the Services and the Licensed Materials as may be made available online or otherwise notified to the Customer;
- (2) use PORTNET® and the Licensed Materials in a proper and lawful manner and not to copy, modify, misuse or tamper with the same and solely for the purposes of access to and use of the Services for its own business purposes and benefit and not make the use of PORTNET® and/or the Licensed Materials available to any third party nor use PORTNET® and/or the Licensed Materials on behalf of or for the benefit of any third party;
- (3) not do any act which may impose an unreasonably or disproportionately large load on the infrastructure or facilities or interfere with the proper functioning of PORTNET®;
- (4) unless expressly permitted by PN under this Contract, not to attempt to obtain access to or interfere with any other programs or data of PN or any other Third Party Service Provider in the course of use of PORTNET®, the Services and/or the Licensed Materials;
- (5) observe all regulations and conditions of use of PORTNET®, the Services and/or the Licensed Materials as may be notified to the Customer by PN from time to time; and
- (6) observe all applicable laws and regulations in respect of the Services and obtain all necessary licences, consents and permissions required to enter into this Contract and all transactions contemplated under the same.

## 8.3 Information

The Customer warrants that it has obtained all necessary consents from individuals whose personal data is disclosed to PN, for their personal data to be collected, used and/or disclosed for all purposes necessary or related to the Services.

The Customer shall take sole responsibility for all information and materials it sends or releases via PORTNET® to PN, any other customers of PN with access to PORTNET® or Third Party Service Providers (“**the Information**”) and shall:

- (1) implement all necessary measures (including any disaster recovery procedures) to back-up and salvage the Information sent or released in the course of using the Services;

- (2) ensure that the Information, and (as applicable) the use, implementation and other disposition of, and physical operations relating to, the Information, do not infringe the intellectual property rights of any third party, violate any applicable laws nor contain anything obscene, offensive, misleading or defamatory, and are correct, complete, timely and secure from disclosure to, or access, use, misuse, damage or destruction by, any unauthorised person;
- (3) ensure that the Information does not contain or will not import any viruses, Trojan horses, timebombs or other disabling devices intended to detrimentally interfere, damage, surreptitiously intercept or expropriate the system, data or personal information of PN, any other customers of PN with access to PORTNET® or Third Party Service Providers; and
- (4) inform PN immediately of all information the Customer receives on PORTNET® which appears to be incorrect, incomplete and/or not intended for the Customer;

and PN reserves the right to remove any information which violates any of the above requirements or creates liability for PN.

#### 8.4 Access

- 8.4.1 The Customer shall permit only its authorised personnel to access the Services. If the Customer's authorised personnel accesses the Services at the Self Service Documentation Centre, the Customer's personnel enters at its own risk and the Customer shall ensure that its personnel exercise due care in the handling of properties thereat, including the hardware, and shall not waste resources thereat and shall indemnify PN against any damage or loss or wastage caused.
- 8.4.2 The Customer shall, to the best of its ability, provide training for its authorised personnel to ensure that the Licensed Materials are accessed by only such authorised personnel as are competent to do so for the purposes noted.
- 8.4.3 The Customer shall not undermine the security or integrity of PORTNET® or any other networks or systems used by PN and not gain or attempt to gain unauthorized access to PORTNET® or such other networks or systems.
- 8.4.4 The Customer shall allow PN's duly authorised representatives full, free, and safe access to the Customer's premises during office hours on any day to ascertain that the Customer is in compliance with this Contract.

#### 8.5 Security

- 8.5.1 The Customer must keep confidential and take all measures to prevent the disclosure and unauthorised use of the Customer's Security Codes and if the Customer suspects that an unauthorised person knows the Customer's Security Codes, the Customer must notify PN immediately. The Customer must obtain from its authorised personnel an express undertaking not to disclose or share their Security Codes with anyone else whether inside or outside the office and any breach by the Customer's authorised personnel shall be deemed to be a breach by the Customer of the Contract.
- 8.5.2 The Customer acknowledges that PN shall be entitled to (but shall not be obliged to) monitor, screen, censor or control any activity, content or material appearing on PORTNET®, investigate any violation or non-compliance with the terms and conditions herein and do all such acts as may

be necessary to ensure the smooth running of PORTNET® and the provision of the Services, including the right to require:

- (1) the Customer to change the Security Codes whenever PN deems necessary and shall notify the Customer accordingly; and
- (2) to exclude the Customer or its authorised personnel from use of PORTNET® and the Services or to withdraw or change the Security Codes assigned to the Customer and its authorised personnel whenever PN suspects that the security provisions in this Contract or any of PN's regulations and conditions of use has been breached until such time as PN deems safe to permit the Customer or its authorised personnel to use PORTNET® and the Services again.

#### 8.6 Indemnity

The Customer shall indemnify PN and keep PN fully and effectively indemnified against all actions, proceedings, claims, demands, losses, damages and costs (including legal costs on a full indemnity basis) occasioned to PN as a result of the Customer's failure to observe Clause 8.

### 9 Intellectual Property Rights

#### 9.1 Title

All intellectual property rights, including patents, copyrights, trademarks, service marks, trade secrets and all other proprietary rights whatever in or related or ancillary to any information or materials provided by PN to the Customer (including PORTNET®, the Services and the Licensed Materials) and/or created by PN pursuant to this Contract, and any customisation, enhancement, development, modification, copy, translation, adaptation or derivation thereof whether registered or not ("**PN's Intellectual Property Rights**") shall remain vested in and be the absolute property of PN.

#### 9.2 Protection

The Customer shall:

- (1) promptly and fully notify PN of any actual threatened or suspected infringement or third party claim on any of PN's Intellectual Property Rights which comes to the Customer's notice;
- (2) at PN's request, do all such things as may be reasonably required to assist PN in protecting PN's Intellectual Property Rights;
- (3) not cause or permit any action which may damage or endanger any of PN's Intellectual Property Rights, or the title to it or to assist or allow others to do so and in particular, the Customer agrees—
  - (a) not to remove, suppress or modify in any way any proprietary marking, including any trade mark or copyright notice, in the information provided by PN to the Customer and to incorporate such proprietary markings in any copies of such information; and
  - (b) not to register, directly or indirectly, any patent, trademark, service mark, trade name, company name, internet domain name or other proprietary or commercial right that is identical or confusingly similar to PN's Intellectual Property Rights.

### 9.3 Indemnity

The Customer shall indemnify PN for any loss, damages (including but not limited to indirect, special, incidental or consequential damages) and costs howsoever arising from the Customer's infringement of PN's Intellectual Property Rights.

## 10 Confidentiality

### 10.1 By Customer

The Customer shall keep confidential any information received through PORTNET® or use of the Services and in relation to this Contract, including the Licensed Materials, Security Codes and the Service Charges ("**Confidential Information**"). The Customer shall not copy, transmit, transfer, retain, create any derivative works from, resell, redistribute, disclose or otherwise provide to anyone in any manner whatsoever the Confidential Information.

### 10.2 By PN

PN may use or disclose any information received in relation to the Contract.

### 10.3 Survival

The provisions of this clause shall survive the termination of the Contract for whatever reason.

## 11 Liability

### 11.1 Customer's liability

The Customer is responsible for the use of the Services by or purportedly by itself and all transactions made on the Customer's account. When the Customer uses the Customer's Security Codes, the Customer is authorising PN to carry out all the Customer's instructions and to debit or credit the Customer's account with the amount of all Service transactions without requirement of any further authority or authentication.

### 11.2 PN's liability

11.2.1 PORTNET®, the Services, the Licensed Materials and any information supplied by PN pursuant to these terms and conditions are provided on an "as is" and "as available" basis without warranty of any kind, either expressed or implied, including, but not limited to, freedom from viruses or other harmful components on-line and the implied warranties of merchantability or fitness for a particular purpose, accuracy, availability, non-infringement or from course of dealing or usage of trade to the extent permitted by law.

11.2.2 Save for death and personal injuries proven to be caused by the wilful negligence of PN, PN shall not be liable for and the Customer shall fully indemnify and hold PN harmless from any loss, damage or expense (including indirect, special or consequential loss) arising out of, in relation to or in connection with, the provision or use of PORTNET®, the Services, the Licensed Materials, the PN account or the Self Service Documentation Centre, the accuracy or security of transmitted information, or the use, reliance upon or performance of any material contained in or accessed through the PORTNET® and/or the Services howsoever arising or sustained by any person and whether due to any act or omission or negligence or error of PN.

11.2.3 Without prejudice to the generality of the above, the Customer acknowledges and accepts:

- (a) the risk that any Transactions or proposed Transactions carried out on PORTNET® or via the use thereof may be subject to any users of PORTNET® making mistakes or errors, acting under false pretences, offering services, facilities or products without authority or otherwise failing to deliver or delaying in the delivery on or performance of such Transactions as may be concluded and PN shall not be held liable for any of the same; and
- (b) that PN shall not be liable in any way for any loss of data due to any technical failure of the computer systems (including all hardware, software and other facilities related thereto) used or to be used by Customer for purposes of accessing and obtaining the Services, and/or the system of any other user of PORTNET® or other third parties or any part/s thereof.

#### 11.3 Liability limit

Save for death and personal injuries, in no event shall PN's liability under the Contract exceed the sum total of the Service Charges and other sums paid by the Customer to PN for the month immediately preceding the event.

#### 11.4 Time limit

Any action for any cause whatsoever related to this Contract shall be brought within one (1) year from the date when the circumstances have occurred which have given rise to the action.

#### 11.5 Reasonableness

The Customer expressly acknowledges that the provisions of this clause satisfy the requirements of reasonableness specified in the Unfair Contract Terms Act (Cap 396) and that the Customer is stopped from claiming the contrary at any future date in the event of any dispute with PN concerning PN's liability hereunder.

#### 11.6 Evidence

PN's data log (whether in magnetic disks or back-up magnetic tapes or any other media) shall constitute conclusive evidence against the Customer but not PN in respect of the facts stated therein, including data entries and receipts and the Customer shall not challenge its admissibility as evidence whether in court or otherwise.

#### 11.7 Prevailing Clause

This clause prevails over all the other provisions herein but shall be without prejudice to any other provision limiting PN's liability.

#### 11.8 Survival

The provisions of this clause shall survive the termination of the Contract for whatever reason.

## 12 Shut-Down Time, Delays and System Constraints

The World's Port of Call

Portnet.com Pte Ltd

Company Registration No: 200002935N

12.1 In normal circumstances the Services shall be made available on-line for all twenty-four (24) hours of the day save where PN shuts down PORTNET® for routine back-ups. The time and length of the shut-down may vary for whatever reasons not being limited to major conversion exercise and the Customer shall have no claim whatsoever against PSA in respect thereof.

12.2 The Customer acknowledges and understands that there may be occasional delays and system constraints in accessing PORTNET® and/or in using the Services and the same may not always be error free or free from computer virus or other invasive or damaging code. PN does not guarantee or warrant that such delays, constraints, errors or virus will not occur and the Customer specifically waives any right to bring any claim against PN for any damages or losses that the Customer may have suffered as a result of such delays, constraints, errors or virus.

### 13 Changes

PN reserves the right to change any term of this Contract, any aspect or feature of the Services (including suspending and/or withdrawing any Services) and the rates of the Service Charges at any time and at its discretion and such changes shall be binding on the Customer immediately upon notice thereof, which may be given by any means (including posting on PORTNET® or by electronic or conventional mail). Any use of the Services by the Customer after such notice shall be deemed to constitute the Customer's acceptance of such changes.

### 14 Suspension and termination

#### 14.1 Suspension

Without prejudice to clause 7.4, PN may suspend access immediately if:

- (1) incorrect Security Codes are used to attempt to access the Customer's account;
- (2) PN suspects an unauthorised person is attempting to access the Customer's account;
- (3) any service agreement between the Customer and PN or its Related Companies for services and/or facilities is suspended;
- (4) PN has reason to believe that continued use or access by the Customer will jeopardize or compromise PN's operation of PORTNET® or the Services; or
- (5) if the Customer shall fail to fulfill any obligations under this Contract or any other contract or agreement between the Customer and PN and/or its Related Companies (including but limited to payment obligations and obligations to observe all health, safety and security requirements).

#### 14.2 Termination

14.2.1 Either party may terminate this Contract at any time by giving to the other at least one (1) month's prior notice in writing.

14.2.2 PN may terminate the Contract immediately by notice to the Customer if in the opinion of PN:

- (1) the Customer has breached any of the terms and conditions of this Contract;

- (2) the Customer is unable to pay the Customer's debts or enters into compulsory or voluntary liquidation or compounds with or convenes a meeting of the Customer's creditors or has a receiver or manager or an administrator appointed or ceases for any reason to carry on business or takes or suffers any similar action which may mean that the Customer may be unable to pay the Customer's debts or perform the Contract satisfactorily; or
- (3) not less than 25% of the share capital of the Customer has been acquired by a person whose core business, product scope, market reach and distribution network on a worldwide basis is in direct competition with, PN, either acting solely or together with any associated companies, whether or not such acquisition occurs as a single transaction or several transactions over a period of time.

14.2.3 In the event of any termination of this Contract, the Customer shall:

- (1) pay all outstanding sums incurred in relation to this Contract up to the date of termination and where the Customer shall fail to give notice as required in clause 14.2.1, the Customer shall pay to PN in lieu of notice an amount equivalent to the total of all Service Charges and other sums paid by the Customer for the previous month; and
- (2) cease to use the Licensed Materials forthwith and to return the same to PN in good condition.

## 15 General

### 15.1 Assignment

The Customer shall not assign, transfer, sub-licence, sub-contract or delegate any of the Customer's rights, benefits duties or obligations arising under the Contract without PN's prior written approval. PN may assign this Contract or any part thereof to any of its Related Companies by giving the Customer not less than seven (7) days prior written notice.

### 15.2 Relationship

Notwithstanding that the Customer may contract the Services as an agent for another party, the Customer agrees that PN deals with the Customer as principal only at all times for the purposes of this Contract.

### 15.3 Governing Laws

The validity and construction of the Contract shall be governed by Singapore law.

### 15.4 Settlement of Disputes

15.4.1 Unless otherwise agreed between the parties, any dispute arising out of or in connection with the Contract, including any question regarding the existence or validity or termination thereof shall be referred to and finally resolved by arbitration in Singapore in accordance with the Arbitration Rules of the Singapore International Arbitration Centre ("**SIAC**") for the time being in force which rules are deemed to be incorporated by reference to this clause.

15.4.2 The Tribunal shall consist of a jointly appointed single arbitrator, or as appointed by the Chairman of the SIAC.

15.4.3 The parties agree to be bound by the award of the arbitrator, and to submit to the jurisdiction of the courts of the Republic of Singapore for the enforcement of such awards.

#### 15.5 Non-Waiver

No failure or delay on the part of either party to exercise any right or remedy under the Contract shall be construed or operate as a waiver thereof nor shall any single or partial exercise of any right or remedy as the case may be.

#### 15.6 Severance

If any provision of the Contract is declared by any judicial or other competent authority to be void, voidable, illegal or otherwise unenforceable or indications to that effect are received by either of the parties from any competent authority, the parties shall amend that provision in such reasonable manner as achieves the intention of the parties without illegality or at the PN's discretion, it may be severed from the Contract and the remaining provisions of the Contract shall remain in full force and effect unless PN, in its discretion, decides that the effect of such declaration is to defeat the original intention of the parties in which event PN shall be entitled to terminate the Contract by thirty (30) days' notice to the Customer and the provisions of clause 14.2.3 shall apply accordingly.

#### 15.7 Entire agreement

This Contract constitutes the complete and only agreement between the parties and supersedes all previous communications, representations and other arrangements whether written or oral. The Customer acknowledges that no reliance is placed on any communication, representation or other arrangement, oral or written, which is not embodied or included in the Contract.

#### 15.8 Notices

Subject to clause 13, any notice to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the relevant party shown at the head of the Contract or by facsimile transmission or by electronic mail or by telex and shall be deemed to have been received by the addressee within seventy-two (72) hours of posting or twenty-four (24) hours if sent by facsimile transmission or by electronic mail or by telex to the correct facsimile number or electronic mail number of the addressee (with correct answerback).

#### 15.9 Rights cumulative

All rights granted to either of the parties shall be cumulative and no exercise by either of the parties of any right under the Contract shall restrict or prejudice the exercise of any other right granted by the Contract or otherwise available to it.

#### 15.10 Force Majeure

Notwithstanding anything else contained in this Contract, neither party shall be liable for any delay in performing its obligations hereunder if such delay is caused by circumstances beyond its reasonable control. Subject to the party so delaying promptly notifying the other party in writing of the reasons for the delay and the likely duration of the delay, the performance of such party's obligations shall be suspended during the period that the said circumstances persist and such party shall be granted an extension of time for performance equal to the period of the delay. In such delay:

### **Attachment 1: Description of PORTNET® Services**

As an electronic business to business community for the port and shipping industry, the **PORTNET®** system connects all the relevant maritime industry players to each other, as well as to the government agencies, facilitating the handling of containers electronically (including over the Internet) and offers the following services:

- Online ordering of services
- Facilitation of service fulfilment
- Track & Trace
- Order and Application Facilitation
- Data Repository and Management
- Billing and other Financial Functions
- Automated data selection, verification, discrepancy checks, and alerts.
- Event tracker, Task Manager, email, online paging , mobile telephone services
- System-to-System Integration Services

**PORTNET®** can be fully integrated with back-end port ERP system (such as **CITOS**) and billing systems, for even greater value and synergy. Further systems, add-on system services are also available to further enhance the value of **PORTNET®** into that of a comprehensive port commerce (p-commerce) suite of IT services. These additional systems services include:

- **EZShip®**, a sophisticated IT system which facilitates the back-room operations of the shipping lines. Through process re-engineering, automation and customisation, **EZShip®** transforms the notoriously complex and time-consuming shipping processes into seamless and easily manageable steps. The pricing is as provided in Attachment 2.
- **TradeNet on PORTNET®**, a system designed for traders/freight forwarders/air cargo agents/shipping agents to submit electronic trade application for processing. **TradeNet on PORTNET®** has integrated both the trade and port documentation to facilitate a more seamless trade declaration process to improve efficiency, increase productivity and minimise duplication efforts. The pricing and further terms and conditions are as provided in Attachment 3.
- **Messaging to Drivers on PORTNET®**, a service to cater for the delivery of mobile phone (or such other acceptable mobile device) messages to drivers at container terminal gates to facilitate and improve efficiency of vehicular movement at container terminal gates. The pricing and further terms and conditions are as provided in Attachment 4.
- **Throughput Analysis and Vessel Information System (TRAVIS™)**, a management reporting tool to help the shipping community using PSA, enabling companies to monitor performance, analyse market trends and make critical business decisions. Through **TRAVIS™**, shipping lines and agents have quick access to a 2-year detailed database to easily generate reports on throughput, transshipment details, dwell time, and vessel performance.
- **Haulier Community System (HCS) on PORTNET®**, a platform that will automate port documentations, integrate port and haulage workflows harmoniously, eliminate exceptions prior to arrival, and elevate both PSA and hauliers to a higher level of productivity
- **ALLIES™** – a central information repository for shipping lines to share information on a real-time basis. **ALLIES™** can reduce the amount of time previously spent on manual information exchange and helps to streamline information exchange on slot forecasting, slot-utilisation reporting and vessel schedules among shipping partners.
